## STAT SHEET – LABOURWATCH

In some cases, the person who declines Membership pays lower dues to cover the costs for collective bargaining but may not be forced to pay the additional dues that a Member pays that may be used for non-bargaining purposes such as support for certain political parties or social causes.  
In other cases, non-Members pay no dues at all

## STAT SHEET – LABOURWATCH

Question 39 - As you may know even though a Government of Canada workplace is unionized, employees must pay dues but can decline being a member of the government union. The Federal Civil Service Labour Code, which covers employees of the Government of Canada does not allow forced union Membership as a condition of employment. Are you aware or unaware of this?
